DIGITAL MARKETING

PREMIUM PLAN

If you are a large company and you have a successful business and you want to increase your profits a couple of times more, this package is the best solution for you. Together we will create a campaign that best suits your company profile. In the preparation stage, we will define the objectives, the scope of work and the expected results. The minimum for this plan is 3 months agreement.

ADVANCED PLAN

If you are a middle-class company with a wide range of services, and you believe that your companies profit should be bigger, then you are in the right place. In the advanced Digital Marketing plan, we create a story for your business. A story that will attract more clicks, leads, and of course conversions. This plan is for businesses that want to increase sales and create a sustainable and successful business.

BASIC PLAN

If you are a micro-sized company and you want to grow and become a serious competitor on the market, then you are with the right team. Or maybe you're a start-up that is fresh on the market? This plan is most suitable for small and medium-sized enterprises, but also for individuals and start-ups. We begin by creating a basic strategy that will further result in strengthening your company's presence on the market, more contacts and most importantly, increasing your company's profits.

SEO STRATEGY

With quality SEO Strategy (Search Engine Optimization) your Website can rank much higher on Google search results when someone searches for a keyword or a product that your website have. That means that your website traffic will significantly increase and more potential buyers will visit your website. With SEO strategy, the people who visit your website will be more targeted than ever.

SEO STRATEGY FOR YOUR BUSINESS

Let us improve your business. Quality SEO Strategy can do way more for your business than you can expect. Imagine if you appear among the top 3 places on Google search results when someone is searching for a service or a product that you offer? With SEO strategy, your business will have more clients and most importantly, bigger profits.
